| Mon | <p>The Monday morning and afternoon sessions represent a crucial part of the Workshop. One morning session will provide a tutorial overview of the DoD High Level Architecture (HLA) for Modeling and Simulation. Attendance at this session is essential for all Workshop participants who are not already familiar with HLA concepts. A parallel session, the Federation Implementers' Forum, is provided for those who already have a good understanding of the HLA. This session will focus on reports from groups programs with recent practical experience in implementing HLA-based federations.</p> <p>HLA Tutorial 8:00-12:00 noon -HLA Tutorial.
