

INVITATION TO JOIN THE SISO SPACE REFERENCE FOM BALLOT GROUP

This announcement serves as an invitation to all SISO members to join the product ballot group and also serves an invitation to other interested individuals to join SISO to participate in the ballot group for:

SISO PRODUCT: SISO-STD-XXX-20XX

TITLE: SISO Space Reference FOM

SCOPE: The standard consists of two parts:

- a) The SISO Standard for the Space Reference FOM Federation Agreement. This is a natural language, human readable overview, description and specification of the FOM.
- b) The "Space Reference FOM". This is a set of computer-interpretable HLA IEEE 1516- 2010 FOM modules (xml), intended for consumption by HLA runtime infrastructure and other software tools.

PURPOSE: The Space Reference FOM shall support interoperability for space simulations. This includes federations executing in real-time as well as federations executing in logical-time (including as- fast-as-possible). The primary focus is on training, analysis, mission support and engineering although other types of usage, like test and concept exploration may also be supported to some degree.

BALLOT GROUP RESPONSIBILITIES: By joining the ballot group, an individual is committing to conducting a thorough review of the product, completing the review in the required time period, and submitting the written ballot by the due date.

Individuals joining the ballot group shall provide the following required information:

- SISO Member Number
- Name
- Organization
- Postal Address
- Email Address
- Phone Number

Representation: (select one)

- Commercial
- Government
- Academic

Interest: (select one).

- User: An individual who will use the product as part of his/her job.
- Developer: An individual (or his/her organization) who will build products that support, require, or produce the proposed product.
- General Interest: An individual who does not plan to use the proposed product, but is interested because of potential future work, impact on other SISO Products, or impact on research. This classification also includes an individual who is unsure of his/her specific interest.

DEADLINE: The invitation to join the ballot group is open for 30 days:

BALLOT INVITATION OPENS: 17 Dec 2018

BALLOT INVITATION CLOSES: 21 Jan 2019

***** ENROLLMENT INSTRUCTIONS *****

Go directly to the Ballot Group Registration Form:

<https://www.sisostds.org/StandardsActivities/DevelopmentGroups/SRFOMPDGSpaceReferenceFederationObjectModel/SRFOMBallotGroupRegistration.aspx>

(Note: Although this webpage can be viewed by anyone, the link to the registration form is hidden until SISO members log into the website. Once logged in, SISO members can select the link at the bottom of the page that will take them to the registration form.)

Or follow this process:

1. Go to <http://www.sisostds.org>
2. Log in
3. Select **Standards Activities**
4. Select **Development Groups**
5. Select **Space Reference FOM PDG**
6. Scroll down until you find the **Invitation to Ballot**
7. Select View **Ballot Details and Ballot Group Registration Form**
8. Follow instructions

To join the Ballot Group, you MUST be a current SISO Member. If you are not a SISO member, go here to read about how you can become one!
